

P54-SL
Lightweight Precision Hedge Shears with Aluminium Handle

PRODUCT DETAILS

- Fully-hardened, very sharp, precisely ground blades ensure a continuous clean cut
- Lightweight aluminium handles with comfortable plastic grip and soft buffers reduce fatigue
- Rubber shock absorbers for less fatigue and increased comfort
- Spare parts available
- With short handles (26 cm) for professional use in parks, nurseries and vineyards
- Comfortable, lightweight, strong, strain-resistant aluminium handles
- Very clean cutting of leaves and soft shoots from the smooth edged narrow blades
- Compact design and angled form, ideal for topiary, trellis work and leaf pruning
- Slim, straight blades, available in 20 cm and 25 cm, giving a clean cut especially important when clipping topiary
